

Service Sunday

God's Got This Cake Challenge

Hey Cov Kids!!

We have a Service Sunday scheduled for May 31 and while we can't get together for it, we can most certainly still serve our church and community! Go put on your baking hats and aprons and get ready to bake a "God's Got This" cake!

I bet you worry about all kinds of things: how you're doing in school, if there will be enough cookies to go around and maybe even if someone you know will get the corona virus. Well, guess what.... God's got this! Isaiah 41:13 says, "For I am the Lord, your God, who takes hold of your right hand and says to you, Do not fear; I will help you" God helps us. We can't do it on our own. He gives us His Word to hide in our hearts when we are scared, His Holy Spirit to comfort us, grown-ups who follow Jesus to help us, prayer, and friendships. God is taking care of you and your worries right now! So put your trust in Him and know that everything will be okay.

So let's spread the word that "God's Got This!"

In your "God's Got This!" Cake Challenge Kit you will find:

- Cake mix
- Icing
- Sprinkles
- Cake pan

Your challenge is to bake and decorate a cake and then gift it to someone else! You can scroll through the Bridge App to find someone in our church family or think of someone in your family who really loves cake or gift it to a neighbour friend. Be sure to use some icing to write "God's Got This!"

The second part of this challenge is to take pictures and send them to Mrs. Jenn. I want to make a slide show of all our marvelous "God's Got This" cakes – take them of you baking and decorating, then gifting to your friends; I want to see it all! (covkids@covenantcommunity.ca)

No need to wait for May 31; start baking now!

****This Service Sunday activity was made possible by The Vreugdenhil Family – thank you!****
