

Walking Alongside Grief

Grief Workshop

Wednesday, March 20th

6:30 – 9:30 pm

We are hosting a healing workshop led by Ben Bentum, a professional counsellor from Wellwood Counselling. Ben was a guest presenter at our last Day of Encouragement. Learn about how we as a faith community can experience and walk through grief together. We will end the workshop with a worship service where we together bring grief and lament before God.

The workshop is free for all to attend; a free will offering will be accepted to cover the cost of the event.

All are welcome: Elders, Deacons, Ministry Leaders, Congregants and Community
